

How to Play:

1. Print out as many rainbow flowers (template on the next page) as you would like. At least one flower should be prepared for every child that will be playing.
2. Write silly actions in the center of each flower. For instance, giggle, wiggle, make a funny face, jump, sing, dance, etc.
3. Cut out all of the flowers and position them on the floor so that they create a large circle.
4. Have all the children begin by standing next to one of the flowers.
5. Turn on **Silly Lily** by Poppy and Posie and have the children begin dancing from one flower to the next.
6. Pause the music and yell, "FREEZE!"
7. Go around the circle and have each child perform the silly action that is written on the center of the flower nearest to them.
8. Then, turn the music back on again and repeat steps 5-7 as many times as desired!
9. **HAVE FUN!**
